DIRECTOR'S NOTE

Dugar Tubes Pvt. Ltd. is a reputed steel pipe and tube stockist, importer, and dealer in India, renowned for our commitment to quality, innovation, and customer satisfaction. With our extensive product range, cutting-edge infrastructure, and unwavering dedication to excellence, we aim to be the preferred choice for all steel pipes and tube requirements.

Since our establishment in 1969, we have expanded exponentially with offices in Mumbai, Ahmedabad, Kolkata, Chennai, and Delhi. Our state-of-the-art warehousing facilities are spread over 60,000 sq. ft. and are equipped with EOT cranes.

As authorized dealers of all leading pipe manufacturers, we hold a logistical advantage, allowing us to fulfill orders nationwide promptly. We maintain a ready stock of various mild steel pipes and tubes (Seamless, ERW, Hydraulic, and Boiler Tubes) in various specifications - ASTM, API, ISI, and DIN.

At Dugar Tubes, quality is at the forefront of everything we do. Our stringent quality control measures ensure that our products and customer experience consistently meet the highest standards. This dedication has fostered strong, enduring relationships with our clients and has helped us establish a robust customer base across India.

We attribute our success not only to our valued customers but also to our exceptional employees. Their remarkable teamwork, dedication, attention to detail, and adherence to industry best practices have consistently surpassed customer expectations.
